JAVASCRIPT INTERVIEW QUESTIONS

JS

JS

```javascript
// Question No.9 "Print all even numbers between 1 and 20 using a while loop."

let number = 2;

while (number <= 20) {
  console.log(number);
  number += 2;
}

// Output:
   2
   4
   6
   8
   10
   12
   14
   16
   18
   20
```
